Team Scoops Coveted Corporate Finance Award

We are delighted to announce that for the second time in three years our team won the coveted “Corporate Finance Advisory Team of the Year” Award at the recent *Insider* Central & East of England Dealmaker Awards Dinner. Overcoming strong competition, the team received the award as “recognition for how hard they have worked on a wide range of deals and for being prepared to think differently and look at alternative financing opportunities”. It was a night of great success for the members of our team. Not only were we shortlisted in the “Deal of the Year” category (the sale of Powernet to Timico), but partner, Laurence Whitehead, was again shortlisted for the “Dealmaker of the Year” award.

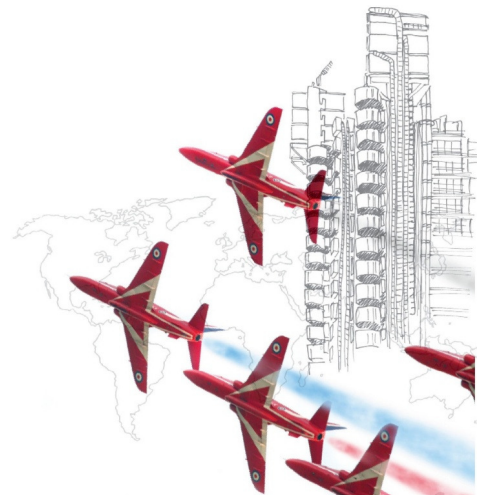

The event, which is attended by the region’s leading advisers, recognises and celebrates the successes of the local dealmaking community. Significant funds were also raised on the evening for The Stroke Association.
