TOP 25 ACCOUNTANCY FIRM OPENS ROCHESTER OFFICE

MacIntyre Hudson LLP, chartered accountants and business advisers, are pleased to announce the opening of a new office in Rochester - and become the only top 25 accountancy firm to have an office in the town.

Rakesh Shaunak, Principal and member of the Management Board, said:

“This is an exciting opportunity for us. I see this as a first step towards establishing the firm in the fast growing Medway region and being able to offer all of our consultancy services to businesses in the area. Despite the quite difficult economic times we’ve seen recently, we have still been committed to growing the firm. Since 2004, we have achieved a 54.5% growth and added a range of cutting edge services and industry expertise to our client offering. Rochester is a strategic location in this expansive and dynamic region and the office forms part of our ongoing growth plans.”

Adrian Dante, who has been appointed as Director in the MacIntyre Hudson Corporate Recovery Team based in the firm’s Rochester office, says:

“Having worked in the area for many years, I can now continue to build the relationships I have already developed here. Furthermore, it is an excellent gateway for MacIntyre Hudson into the Kent marketplace.”

Adrian previously worked for Smith and Williamson for a number of years. He qualified as an insolvency practitioner in 2005 and became a licence holder to take appointments in September 2008.
